

**TUESDAY, SEPTEMBER 3**

09:00 - 18:00	Exhibition open to the public
09:00 - 09:45	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 1: Strategies to realize Chile's competitiveness
09:00 - 16:30	Grand Prix Races / Outside Esplanade, 2 <sup>nd</sup> floor 09:00 - 12:30. Teams selection and presentation to the judges 09:30 - 11:30. Energy Innovation Competition 12:45 - 13:30. H2GP 2024 Opening 13:30 - 16:30. H2GP 2024 Competition
10:00 - 10:15	Plenary Hall, 2 <sup>nd</sup> floor Chile - France Ceremony
11:00 - 12:00	Plenary Hall, 2 <sup>nd</sup> floor (with invitation) Hyvolution Chile 2024 Opening Ceremony
12:15 - 13:15	Salón Farelloes, 1 <sup>st</sup> floor (with invitation) 4 <sup>th</sup> Franco-Chilean working group on low-carbon & green hydrogen
12:30 - 12:45	Presentation of the first hydrogen truck in Chile Walmart Chile, Marval and Hyvolution
17:00 - 18:00	PTEC HIDROHAUL launching and Marval technical presentation
11:00 - 11:45	Technical Talk / Agora, 1 <sup>st</sup> floor Green Energy Corridor Chile - The Netherlands Speaker: Royal Embassy of the Netherlands
12:00 - 12:45	Technical Talk / Agora, 1 <sup>st</sup> floor Green Energy Corridor Chile - The Netherlands Speaker: Royal Embassy of the Netherlands
14:30 - 15:30	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 2: Critical role of regulation in the H2V industry
15:45 - 16:45	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 3: The road to a sustainable future starts now: Status of projects in Chile
16:00	Swiss Pavilion Opening
17:00 - 18:00	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 4: International Panel: How is the world positioned to buy H2V from Chile?

**WEDNESDAY, SEPTEMBER 4**

10:00 - 18:00	Exhibition open to the public
10:00 - 11:00	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 5. The 2030 horizon: How to leverage export from domestic demand in the remaining 5 years
AM - PM	Visit of Taiwan delegation
10:00 - 10:45	Technical Talk / Agora, 1 <sup>st</sup> floor Ingeniería Analítica de Riesgos de acuerdo a la experiencia de Gexcon en Europa Speaker: Pablo Correa, CEO RMC Corporate
10:00 - 15:30	Grand Prix Races / Outside Esplanade, 2 <sup>nd</sup> floor 10:00 - 12:30. Teams presentation 11:00 - 12:30. Colbun Energy Competition, teams 1 to 6 13:30 - 15:00. Colbun Energy Competition, teams 7 to 14
11:15 - 12:15	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 6. Strategic Infrastructure: Enabling the Hydrogen Industry
12:00 - 12:45	Technical Talk / Agora, 1 <sup>st</sup> floor Enhancing the Financial Viability of Large-Scale Hydrogen Derivative Projects Speaker: Jorge Batarce, Global Hydrogen Market at ABB
12:30 - 13:30	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 7. Social legitimacy, key to industry development
14:30 - 15:30	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 8. Securing Markets: The importance of certification for green hydrogen exports
15:00 - 17:00	Side Event H2 Chile / Agora, 1 <sup>st</sup> floor Trade Cooperation and the Future of Green Hydrogen: Towards a Sustainable Industry
15:45 - 16:45	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 9. Hydrogen and the Safety of Processes, Facilities and their Technical Standards
17:00 - 18:00	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 10. The key role of hydrogen in the future of mobility
18:30 - 22:00	Networking / Salón Manquehue (Get tickets) Green Hydrogen Night 2024

**THURSDAY, SEPTEMBER 5**

10:00 - 18:00	Exhibition open to the public
09:30 - 13:30	Grand Prix Races / Outside Esplanade, 2 <sup>nd</sup> floor 09:30. Teams presentation 10:00 - 11:00. Second Energy Competition 12:00 - 13:30. Awards
10:00 - 11:00	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 11. Sustainable educational innovation: Developing human capital for the H2V industry in Chile
10:00 - 10:45	Technical Talk / Agora, 1 <sup>st</sup> floor Protección contra incendios para baterías de ion litio: Alcances de la normativa internacional NFPA y su aplicación en BESS Teknica Speakers: José Luis Atray, Israel Muñoz
11:15 - 12:15	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 12. Towards an H2V economy in Chile, the fundamental role of the mining industry
12:00 - 12:45	Technical Talk / Agora, 1 <sup>st</sup> floor Bruckhard Compression
12:30 - 13:30	International Congress / Plenary Hall, 2 <sup>nd</sup> floor Panel 13. The role of financing in the energy transition
18:00	Hyvolution Chile closing
